

## RECOGNITION OPPORTUNITIES

### Specific Named Opportunities

We earnestly believe that all parishioners who are able to make a sacrificial pledge to this capital campaign are all major donors. However, there are those in our community that may be able to help us in an extraordinary way. For those interested, a limited number of specific named opportunities exist in each of the three new buildings.

### Wall of Honor and Honor Roll of Donors

It is important that we acknowledge the generosity of those individuals and families who make gifts and commitments to our capital campaign. Accordingly, a Wall of Honor will be placed prominently in the new Parish Hall, honoring those in our community who contribute gifts or complete a five-year pledge of \$5,000 or more. This will allow the sacrifice and generosity of St. Paul parishioners to become part of the permanent history of the parish. Additionally, gifts of all levels will be recognized in a published honor roll of donors.
